Manila. April 30 1932.

State Engeneers Office

Mr. Geo. W. Bacon

Dear Sir

In reply to your letter of April 26. the Presidents Name and Address of the Sheep Creeck Irrigation Company is, Ammon Nebecker, Manila. Utah. The By Laws for this year ar somewhat different, then the were for the last two years, for this reason I prefered to have my own private ditch built to keep out of trouble as it were the case befor.

I would like to inquire as in regard of transfering water from one Farm to another and renting water, if this is Legal or not. Hoping to hear from you real soon. yours very truly William Grotte

Manila, Utah.
