

Zion National Park

Towering above a patch of Englemann pricklypear cactus, the magnificent Watchman stands guard at the south entrance to Zion Canyon, reaching 2,555 feet above the canyon floor. Photographer - John P. George

ML STYLEN

PLEASE THINK VERY DEARLY ABOUT THE DECISIONS YOU ARE ABOUT TO MAKE. DO YOU REALLY WANT TO BE REMEMBERED AS THE MAN WHO DESTROYED THE GREAT BASIN OF THE UNITED STATES? REMEMBER YOUR LATTER-DAY SAINT FOREFATHERS, AND THE RESPECT THEY HELD FOR THE CAND GOD GAVE THEM. DO NOT TROW AWAY THIS GIFT AWAY!
