J. H. Humpherys, State Engineer
Dear Sir. Am answering your letter of Aug 26 which you sent me a copy of letter to Mr Blanthorn. Thanks very much for your interest in the same. And am sorry to repat to you that I have had no water for 6 days. It certainly is terrible. I would appreciate it very much if you could arrange it so that I might get a little for culinary purpose as I am the only one on the line that is not getting any water. Have put off
