Dear Sir:

RE: BOX ELDER DIST.

I have your letter of May 2 with reference to a visit and conference with your Board of Directors as to distribution of water and unless I hear from you to the contrary I shall plan to come up on Tuesday, May 7. I will leave Salt Lake on the Short Line train which reaches Brigham at 9:05 that morning. Please advise me if this date and time are convenient and also if you will meet me at the station.

Yours very truly,
