Boulder, Utah
July 23, 1938

T. H. Humpherys
State Engineer
Salt Lake City, Utah

Dear Sir,

Replying to your letter of the 20th inst. Concerning the Boulder Creek distribution system.

Under separate cover I am sending you a blue print. You should have one like it in your office, attached to these file numbers 11103, 11104, 11105, 11106,

This blue print was made by John H. Clark of Panguitch

When you get a copy of this blue print, please return same to me.

Yours truly

Francis Lyman
