W

Boulder Utah
June 26 1937

Mr. T. H. Humphreys
State Engineer
Salt Lake City

Dear Sir.

In reply to your letter of 22nd. I can say that I accepted the position as Water commissioner on Boulder creek, at 40¢ per hour for 1937.

You sooould have received a letter stating my acceptance at the same time you got Mr Wilsons letter, but it must have gotten lost en route.

Respt. Yours
Francis Lyman
