Honorable J. H. Humphreys
State Engineer
Salt Lake City.

Re: Boulder Creek Dist.

Dear Sir:-

I have your letter of may 22nd concerning the appointment of Mr. Lyman as water commissioner. Have also received reply to the other letters recently sent to your office. We appreciate very much the splendid cooperation and advice you have given us.

You should receive a letter from Mr. Lyman the day you receive this letter with an expression of his attitude toward accepting the position of commissioner.

The water Board has been voted power & set the time when the duties of the commissioner shall begin and end.

The time has been designated as beginning June first and ending Oct. first.

The work will be minimum during Sept. and maximum about June 15th to July 15th

Very respectfully
Boulder Irrigation & Water Dev. Co.
By W. A. Wilson Sec. & Treas.
