FT. DUCHESNE, UTAH

Roosevelt, Utah, July 11th, 1924.

Mr. Lloyd Garrison,
Deputy State Engineer,
Capitol Building,
Salt Lake City, Utah.

Dear Mr. Garrison:-

Your favor of July 8th is at hand. If the work you have in mind is the matter of a day or two occassionally I can handle it and will be pleased to do so. If more time is required I should be pleased to reccommend some one else.

I find it impossible to operate my car out here on 9cents per mile, but if that is a state rate, and the trips dont come too often, the rate will be alright.

With very kindest personal regards, I am,

Very sincerely yours,

W. L. Woolf
