Mr. John R. Wilson,

Box 284, Duchesne, Utah. RE: DISTRICT ENGINEERS.

Dear Sir:

I have delayed answering your letter of June 30 with the hope that I could secure the service of an engineer in your locality who could investigate and settle the question of water rights on your stream.

There has been some delay in this matter, but I hope to be able to take care of your complaint at an early date.

Very truly yours,

State Engineer.
