PO Box 146300
Salt Lake City, Utah 84114-6300

Dear Mr. Jones,

The _____ Irrigation Company has requested assistance from the _____ Conservation District to complete their Canal Safety Plan per Utah Code 73-10-33. The _____ Irrigation Company has [General description of system- miles, services so many acres or shareholders, open/ piped canal, CFS]

_____ Conservation District is prepared to provide assistance, through resources and services offered by agency hired to develop plan. Agency has developed a cost estimate of \$ _____ with a completion date of Day Month Year. The _____ Irrigation Company will provide the in-kind labor and resources in the development of the plan, including data collection, site assessment, and plan review.

We are requesting \$ _____ from The Division of Water Rights to provide this assistance to the _____ Irrigation Company, per House Bill 370, Canal Safety Amendments. In addition, we will ensure that the _____ Irrigation Company provides to the Division those items required by House Bill 370.

Sincerely,

Conservation District Chairman
