RE: Ashley Creek Distribution System Meeting for 2011 (revised)

Dear Larris,

I'm sorry for the confusion, but we had to make some adjustments in the schedule we sent out earlier. Enclosed is a copy of the revised schedule.

We would like to hold the committee meeting and the annual water user meeting for your distribution system on Tuesday, March 8, 2011, at 1:30 pm and 2:30 pm, respectively. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

Your 4-year term as Water Commissioner will end at the 2011 annual distribution system meeting. At the meeting, the water users will need to either recommend that the State Engineer re-appoint you to another 4-year term or the water users will need to follow the process outlined in the administrative rules (R655-15-7(2)) to select another person to be appointed by the State Engineer to serve as water commissioner.

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801) 538-7380 or by e-mail at LeeSim@utah.gov. Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
