Mr. Donald Norseth
State Engineer's Office
Room 442, St. Capitol Bldg.
Salt Lake City, Utah

Dear Don:

This office recently received the attached sheet from Wesley E. Signs, Irrigation Division Engineer, State of Colorado.

The sheet lists the water rights in the Pot Creek Drainage that were adjudicated during the past Adjudication Proceedings in Water District No. 56, State of Colorado.

I have requested additional information as to periods of use and periods of storage. I will pass this information on to you when it arrives.

Sincerely,

Robert F. Guy
