Dear Mr. Hunting:

This letter is to confirm your appointment as Water Commissioner for the Ashley Creek Distribution System as of April 1, 2003. This is a four-year appointment due to expire on March 31, 2007.

The authority of water commissioners is based on Sections 73-5-1 and 73-5-3 of the Utah Code Annotated. As Water Commissioner, you are responsible to distribute the waters of the Ashley Creek Distribution System according to the water rights which have been established and which are on record with the Utah Division of Water Rights. A commissioner identification card will be prepared and sent to you in the near future.

The direct supervision of your work will be the responsibility of Bob Leake, Vernal Regional Engineer, and Lee Sim, Assistant State Engineer.
