Dear Sir,

I wish to acknowledge receipt of your letter of April 29th together with the check for $175.00 many thanks.

In reply to the last paragraph of your letter I have taken the matter up with a number of canals and they are sending in recomendations in the near future. There is however users who are infavor of no Commissioner at all.

Spring Canyon had its first session this week for the season. Mr De Marco called me, complaining that the Eligenties had all the water. I refered her to you as I had not as yet been appointed this year.

Some thing definate should be workedout up there this summer Care there is little hope of ever settling it.

Yours very truly

W. R. Wayman
