Dear Robert,

I am sorry for this request to change our scheduled meeting one more time. We have been trying to schedule a public meeting in the Beryl Enterprise area regarding a Groundwater Management Plan and the date has shifted on us several times. We have finally confirmed a date but unfortunately it conflicts with the meeting set for your distribution system.

The new proposed date for the annual distribution meeting for the Mill Creek Grand Distribution System would be **Wednesday, March 21, 2007 at 10:00 am.**

Please contact me if this change will present any problems for your distribution system. If this date and time will fit your schedule, we will not change it again.

Thank you

Lee H. Sim, P.E.
