JUL 18 1927

Helper Utah
July 15, 1927.

Geo. M. Bacon.
State Engineer:
Dear Sir:—

This Mrs. De. Marco filed an application for section no 23. from down below goat springs. now all the land above goat springs is section no. 22. They will not even let me have the waste water from Crystal Spring. all this water runs in section no 22. It has been 3 weeks since I havent had any water to irrigate about 20 acres of my fruit trees. Please take this into Consideration as I Elegante have been here since 1911. in Spring Canyon and had rights of the water Thanking You.

Yours Truly
Mrs. Mary Elegante.
