JUN 21 1927

Dear Sir:
I have recieved your letter June 18.
You say that you are willing to help me I want you to help me because you know all the nights of one and onothe. for if you do not help me I am ruin-ed.
you know that the case that was made was made for the crystal spring and for no other and so what does this mean them taking the

crystal spring and even
the one that does not
belong to them, I will
not let this pass by
for the water ~~besides~~
~~the cres~~ is mine not
mentioning the Crystal
spring and Eligantis
attorneys even try to
take the Bread I have
in my mouth just to
ruin me. but one thing
I want is not ~~put~~ to put
cases up. for I have no
money to Monkey with
cases against such people.
When I recieved this

letter I thought that my troubles were finished and was glad. but now I read & see that they aren't even starting to finish for they are still on their path.

Please see what can be done for summer is soon going and I cant see any decent crop and also the fruit trees are drying.

You say that my expenses are $25.00 and that you were willing to pay ~~the expenses of~~ Mr. Jermons

Traveling expenses I will pay them if only I could have my rights. I am willing to pay even $1.00 for his expenses just as long as I have my water and that my troubles are finished.

& Inclose you will find a Money Order for $25.00

yours Truly,
