Mr Geo M. Bacon - State Engineer
Salt Lake City Ut.

MAR 28 1927

We the undersigned hereby request that a Commissioner be appointed to take active charge of the division of the water in Bowl Creek. That he supervise the putting in of a locked division head gate, and see that each water user gets his just amount of the water.

We suggest the name of Z. C. Rechel for the appointment, as we believe him to be a man of fair and unbiased judgment.
