Sept. 11, 1944

Mr. L. S. Andrus
59 East Center St.
Provo, Utah

Dear Sir: RE: COAL CREEK DISTRIBUTION SYSTEM
Commissioner's Bond

On June 26, 1944, state engineer check No. 6941, $5.00, in favor of Andrus-Hafen Company, was mailed to that company at St. George, Utah, along with a request for a bond for the newly appointed water commissioner of Coal Creek Distribution System, J. T. Leigh, Cedar City, Utah.

It appears that Andrus-Hafen Agency had been sold to W. O. Bentley, St. George, Utah. The request for bond was forwarded to Mr. Bentley by someone unknown to me. Mr. Bentley executed bond, which has been received in order. He disclaims any knowledge of check. A new check has been issued to him.

Postmaster William Brooks, St. George, Utah, states instructions on file with his office are to forward all Andrus-Hafen Company mail to you. Can you inform me of the whereabouts of the check mentioned in first paragraph. I wish to recall and cancel it.

Any information you give will be appreciated.

Very truly yours,

Ed. H. Watson
STATE ENGINEER

KM
