Minutes of Sand Wash Water users called by the State Engineer at Joka Ward House april 22, 1940 at 2 P.M.

The following were represented. George Potts M. J. Mitchell filing by Parley Mitchell, Oscar Nelson, Sand Wash Irrigation Co, by 4 officers Dry Gulch Irrigation Co by 3 officers.

M. J. Benson acted as chairman

He told what the meeting was called for then had secty read a letter from the State Engineer stating he couldn't be here, but to go ahead and do the business.

They then discussed water conditions, and talked about a commissioner. None were in favor of one except the Sand Wash officers. So we adjourned.

Archie Benson acting Secty.
