current

Dave Bradshaw motioned Pat Yardley seconded all in favor report be accepted as read.

Lee Sims stated that Ronnies term was up this year Robin made motion pat seconded that Ronnie be retained as commissioner.

Mr. Sims then reported on the financial report.
$ 9,528.36 in reserve. Total receipts $17,479.32
expenditures $17,491.54 Ending Balance was
$ 9,516.14

Budget was set at $18,100.00 $17,491.54 was expended giving a difference of $608.46. Delinquents were $572.03 an improvement over previous year.

Floyd ~~put forth~~ entertained a motion that the financial report be accepted David Bradshaw motion Chris Smith seconded on the condition that Mr. Sims check into $500.00 that is in question on the report. The voting was unanimous.

Mr. Sims then went over parameters for a new budget.

Ronnie stated a need for an increase on travel expense because of fuel costs increase and because of the 3-creek fillin requirements. ~~6,000~~ 6,235 miles were travelled last year by Ronnie at the ~~Current~~ 2004 federal rate of 37½¢ per mile would equal $6100. For 2005 rate is 40½¢ equals $6700.

Phil Tolly motioned that Ronnie be paid 40½¢ per mile pat ~~pro~~ forth Seconded.

Danny Goff suggested $7000 total. Phil then motioned that the budget be at $7,000 total. Pat seconded this motion. This motion included that Ronnie keep track of his miles and be paid by current IRS rate.

All in favor was everyone.

Salary = $9450 w/ retirement $1322 retirement Ins $167
$723 Soc Sec $7000 travel Equipment $211.00

Travel report at $200 misc exp at $127

Phil motioned that whole budget approved at $22,000. Steve Dykes entered into a discussion about costs of preparing river for spring floods. Leroy Carpenter commented on river rules & permits.

and this is part of water Pinersville entilled to.
Total receipts $3,907.
Ending balance ~~$2,113~~ $1,200
~~Motion~~

Jim Welch from the State commented on some of these rules. Jim will send to Steve Atkin information on what can be done. Alot of productive discussion took place. Mr. Sims in answer to question stated that in other areas the county took care of the channel. Robin motioned that the budget be raised from $20,200 to $20,500. to cover more needs of dealing with flood water at diversion. Phil seconded motion. All in favor.

A discussion of assessment then took place. Steve Atkin motioned that the budget be the assessment Chris seconded ~~all were in~~ the motion carried.

Robin ~~moved~~ motioned that the whole Distribution board approach the county for responsability to clean the trees out of the river and tributaries of trees. It was unanimous

Danny Goff asked about if North Creek was running into Jones Gravel pit. Ronnie will go talk to Jones about it.

~~Also~~ The next item of business was to vote on a new board. Danny Goff motioned Melvin Walker seconded everyone passed for the old board to remain as is.

Danny requested that Floyd check into the unwritten voting that was known to exist when Lee Strong was Commissioner.

Lee Sims covered proposed bills in the house. #38 provides increasing criminal penalities for misuse of water

#57 involves fines and penalities (replacing up to 200% of water taken) and such can be compounded according to the # of days of violations. Giving the engineer more capability for dealing with violations Has passed the house unanimously. It is at a committee level at the senate.

Mr. Sims is addressing storage matter of ~~forms~~ storage reservoir Companies. The state will approach it as an interim order where it is tried for a years.

Jeff motioned we dismissed, mike seconded, everyone left
