Mr Geo. M. Bacon St. Engineer
Dear Sir I recieved your Two
Letters of Recent Date and will
send the maintenence Fee of $4.00
there has never been any floods
but what Shuts my Water off
and all the Water goes down
the wash. my ditch fills with
Sand so that I have to shovel
a good While before I can get
any Water down my ditch. I am
going to put in a Cement Dam
and theall Gate in my ditch and
fix it so that it can be Handled
in a Proper maner before an-
other Season comes around I have
put a measuring Device in my
ditch as you Requested a bought
150 yards down the ditch and if
your Commissioner will let my
stream come down my ditch
we will have no Trouble and
I will assure you that we
will not Take that which
does not belong to us

Respectfully
N. J. Mitchell
