LOGAN

Frank took Jebo May 6th between 4 + 5 P.M.
Del called Dan Peart, took Jebo back 9 A.M.
7th May while Dan was here. Frank took Jebo again
1988 between noon and 4 P.M. on Sunday 8th.
Del took Jebo back at 4 P.M. Frank took
it again 8:30 A.M. Monday 9th We went
to Logan and talked to Mr Folkering hom.
It was our belief Frank was taking our
water. Tufts Creek was going to Meadowville
and had been all spring. We left Jebo
going to Meadowville for 5½ hrs under protest.
Del took Jebo back on Wed 11th Frank left
it alone until it went on time at
8 A.M. May 19th when Frank took the
Johnson turn of water. Grant Lambson
took the Mathon water in Jebo and Tufts
on the 20th and it is our understanding
that Frank took it. Our turn of Jebo
under the schedule come at 4 P.M. on
May 24th Del took it on our upper fields.
Tufts turn to the cooks started at
midnight on the 26th also Meadowville
Ditch went to Grant. Grant came in
midnight and took both streams. Del
turned Jebo down to Grant at 8 A.M. on
the 27th Grant stayed until noon and
when he come back on the 28th Frank
had taken Jebo + Tufts. Del took Jebo at
1 P.M. Sat the 28th and put it back up
on our upper fields. If Frank had left
it alone we could have watered a good
share of our 20 acres with both streams
combined.

but we could not afford to leave
Jebo where Frank could take it
along with lifts every few hrs. Del left
lifts creek and when he went out to
check it at 7:30 on Sat the 28th Frank
had taken it again. Del took it back
and waited until it had got to the
alfalfa patch. Sunday Morning the 29th
when Del went out to check Lifts creek
Frank had taken it again. Del took it
back. Frank has not taken it back
but it has dropped to where Lifts alone
will not water much but we do not
dare mix the two for fear he will take it again.
Frank had told Grant we had no
right to use that ditch it was his
ditch. Page 548 in the yellow book
shows J M Cook with a right from that
diversion which would be Grant Lambourn
now. Page 549 shows Orin W. Cook with
a right in that diversion which now
is Del C. Cook. This same diversion
is the one for Westons, Supply M Paul
which is Maltsons, and the Johnsons.
I could find no other diversion out
of Lifts Creek for any of the Meadowville
people, Westons, Johnsons or Maltsons.
Del called Frank yesterday and He told
us he was trying to force some one
into taking him in to court so he could
open up the whole thing. We hope he
does not take Jebo legal on his
own turn, but if he continues to do

we are at a loss to know what to do.
As near as we know we have followed the books and the schedule since they were done.
