Meadowville 5-30-01

1- Tuft Creek Ditch -
- ~~Upper Ditch~~
- ~~Lower Ditch~~

Ownership of water rights is a very clouded confusing issue in the Meadowville area.
Who owns what? - no one seems to have a very good understanding

Question - ~~the~~ it appears the description of water rights POU PD in some places is expanded beyond what the hours in the schedule would provide - they did not determine a sole supply for the water right.
case in point - the hours shown on May 21 for Linda/Conger/LeRae - probably should also include Kent Johnson however these together constitute a lot more land than the ~~[illegible]~~ 31½ hrs would provide for.

Question on Upper & Lower Tuft Creek Ditch.
