Mr. W. Wade Head

Area Director, Phoenix, Arizona

Attention: Land Operations

Dear Mr. Head:

A preliminary report on the Redesignation of the Irrigable Lands of the Uintah Indian Irrigation Project, Utah has now been completed. As a result of the transfer of water rights on some sixteen tracts of project land subsequent to the completion of the Agency "Report on Water Right Claims Uintah and Ouray Indian Reservation, Utah" and the Agency Report "Schedule of Transfers of Certified and/or Decreed Water Rights Uintah Indian Irrigation Project, Utah", it is necessary that both of these reports be revised.

Revised schedules for both of these reports have now been completed and are being transmitted herewith. Please remove the respective pages from each of the reports, of which you have a copy and replace with the revised pages.

Sincerely yours,

M M Zoller
