Mr. Ira S. Bryant,
Myton, Utah

RE : MONTEZ CREEK Dist

Dear Mr. Bryant:

I have your letter of February 23 relating a meeting with the Dry Gulch Irrigation Company relative to the division of water on Montez creek.

It will be impossible to meet you on March 2 as you suggest and as a matter of fact, it is not possible at this time to say just what date will be convenient for me to be at Roosevelt. In any event, it will be some time the fore part of March and on the same date as the meeting is held relating the distribution of waters on the Duchesne river.

I will advise you in sufficient time to make arrangements for meeting as soon as a date will have been definitely fixed.

Yours very truly,

T.H. Humpherys,
STATE ENGINEER
