Dear Arlen:

I appreciate you taking the time to write us regarding your Father's account. Please accept my apologies for the lack of attention in this matter on behalf of the Division. We rely on water users to provide updates on ownership changes, and conveyances of water rights. Should this occur, the Division would appreciate contact from you or a family member in the future. I have made a correction of this oversight and there will be no future mailings, the account has been made inactive.

Cedar City Valley will undergo mapping over the next few years with the intent that the current water rights ownership will be updated and made current.

I am not sure of your sister's name, I am mailing this to her as a "Responsible Party"

Sincerely,

Mike Silva  
Distribution Engineer
