Dear Gerry:

Re: Foote Ranch

Enclosed is a memo from Jerry Olds in our Technical Services Section requesting that you begin making a record of the diversion to the Foote Ranch.

Will you please include the reading of this diversion as part of your regular diversion measurements and include the record in your annual report to the State Engineer.

If there is a reason why this will not be possible, please contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lee H. Sim".
