

necessary to regulate any or all zones of the Duchesne - Strawberry River System, as those zones are defined in the Distribution Schedule, pending further order of this Court.

2. The River Commissioner is allowed to use Starvation Reservoir and Red Creek Reservoir as regulating devices in conjunction with the Distribution Schedule for those water users making appropriate arrangements with the reservoir owners, so long as other water rights are not impaired, and so long as such water users have in place adequate measuring devices approved by the State Engineer.

3. This Order of Distribution shall take effect upon execution by the Court, and shall remain in effect for the 2006 irrigation season unless otherwise ordered by the Court. However, nothing in this Order of Distribution shall preclude a water user from filing an objection at any time during the 2006 irrigation season.

4. Pursuant to Section 73-5-8 of the Utah Code and this Order of Distribution, water users shall submit a crop acreage report upon request by the State Engineer. Pursuant to Section 73-5-4 of the Utah Code, water users shall install and maintain flumes or other measuring devices as required by the State Engineer.

5. This Order of Distribution is made and entered without prejudice to the claims or assertions of any of the parties in subsequent proceedings in this general water rights adjudication, and does not constitute a final determination by this court as to the rights of the parties or the final duty of water from these sources.
