NOTICE TO SUBMIT FOR DECISION

Civil No. 560800056CV

JUDGE JOHN R. ANDERSON
(No Hearing Requested)

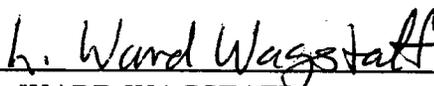

Jerry D. Olds, Utah State Engineer, by and through counsel, hereby submits this Notice to Submit for Decision the Motion of State Engineer for Order of Distribution. On February 23, 2006, the State Engineer served copies of the Motion and the proposed Order of Distribution to parties who had indicated an interest in the proceedings. The ten days to respond provided by Rule 4-501 of the Utah Rules of Judicial Administration, plus three days for service by mail provided by Rule 6 of the Utah Rules of Civil Procedure, expired on March 14, 2006. No objections to the proposed Order were filed with the Court.

The State Engineer has not requested a hearing in this matter, but is willing to appear if the Court has questions about the proposed Order.

The time allowed for responses to the Motion of State Engineer for Order of Distribution has now expired, and no objections have been filed. The Motion is therefore uncontested and the Order is ready for the Court's decision and signature. The State Engineer therefore respectfully requests that the Court grant the Motion of State Engineer for Order of Distribution and sign the accompanying Order of Distribution.

Dated this 21st day of March, 2006.
