**Subject:** Water user's whose headgates or measuring devices need repair or installation

Bryan, attached are a list of Deep Ck. water user Accounts.  
Please review them and respond to me w/ a list of user's whose headgates or measuring devices need repair or installation. I will send a Notice to them requiring the work. Please include any user's and their addresses who are not on the list but need notices. Also let me know if there are any illegal diversions on the system.

Have a good weekend. I'll follow up w/ you by phone Tuesday. Tx, Jim Wells

*Brian communicated back that no situation was bad enough to cause problems. So no SEAA Notice was needed. JW 3/15/07*
