Subject: Deep Creek Distribution System Minutes and some other items

Hi Lee,

Attached are the Distribution Meeting minutes.

During the meeting some of the members mentioned that Lance Luck ("Circle L Ranch", Distribution Account No.100604) had sold his land. The new land owner is Robert T. Nilsen. His name is the only one on the Uintah County Recorder's Records. His wife's name is Kathleen (whitepages.com).

His telephone number is unlisted; however, using my "special" skills I was informed that his telephone numbers are as follows:

Home: 801-272-2789
Cell: 801-358-4328

His Uintah County Recorder's mailing address is:

2410 Walker Lane
Salt Lake City, UT 84117

He bought a lot of land in Uintah County in May of 2006. Lance Luck (Circle L Ranches Inc.) sold his land to Good Works Outreach in February of 2005 who then sold the land to Robert T. Nilsen in May of 2006.

Lance Luck's water rights in the Mosby/Deep Creek Area have not had any title updates to reflect the new land ownership.

Andrew
