Re: Duchesne River

Dear Mr. Lambert:

Enclosed are two conformed copies of a memorandum of understanding involving the Midview Exchange, Contract No. 14-06-400-5482. This memorandum provides for the release of irrigation water from Starvation Reservoir to augment the natural flow of the Duchesne River whenever that flow is insufficient to meet the needs of the Indians as defined in the Midview Exchange Agreement dated November 16, 1967.

Sincerely yours,

Paul E. Black
