DEEP CREEK WATER USERS MEETING

Lapoint, Utah
March 18, 1975

Don Norseth, acting as chairman, opened the meeting at 9:45 A.M. Bob Guy took the minutes.

Don gave a report on the water supply and it appears that the water supply will be short this year. Don read the minutes of last year's meeting. There was a question as to the Commissioner salary. Was it \$1800 or \$2000. Don said he would check. Also, the mileage was raised from 15 cents per mile to 18 cents per mile. The minutes were then approved as read. Don read the Financial report. There was a question on the Dorothy Luck assessment. Some thought it should be Lynn Martinsen. Bob Guy was requested to check this out.

Addition to minutes - The commissioner's monthly report/¹⁹⁷³record indicates that during the month of May, Dorothy Luck was delivered 251.8 ac.-ft. from Mosby Creek. During this same period Lynn Martinsen was delivered 364.2 ac.-ft. - Bob.

It was moved by Farrell Simmons and seconded by Charman Justice to accept the financial statement as read. Motion carried.

Charman Justice gave her Commissioner's report.

Don mentioned that the Mosby Irrigation Company should give the water commissioner an operating schedule on the newly built Julius Park Reservoir.

It was moved by Martin Huber and seconded by Farrell Simmons that Charman Justice be recommended for water Commissioner for 1975. Motion carried. Don said that Charman would be appointed water commissioner.

Charman suggested that the system buy a truck for the reason that if anything happened to her truck she would not be able to regulate the diversions. The group did not respond.

After some discussinn it was moved by Charman Justes and seconded by Robert Justice that the 1975 budget be as follows:
