State Engineer

Salt Lake City 14, Utah 84114

Dear Sir:

In the 1965 minutes of the annual meeting of the Associated Water Users of Duchesne and Strawberry rivers with representation from your office the following business was transacted:

"Mr. Norseth reported the State would appoint Leo Brady as Commissioner for the next year. He also discussed the possibility of the water users setting a permanent date for this meeting to be held. After a discussion it was decided this would be one of the items of business that we would consider in our next annual meeting." (see 1965 Water Commissioner recommended)

In the annual meeting with the Associated Water Users, which followed the adjournment with the State Engineers staff the By-Laws were ammended.

"Moved by Melvin B. White and seconded by John E. Abbott, to ammend paragraph "c", article VII of the Articles of Incorporation of the Duchesne and Strawberry Water Users to read: The annual meeting of the stockholders of this corporation shall be held on the second Monday of March, at 2:00 p.m. in Duchesne, Utah. Motion carried."

Now that we are approaching time for the 1967 meeting to be scheduled we think it timely to draw your attention to the above ammended By-Law. Trusting this meets with your approval, and that our purposed date will be confirmed.

Sincerely yours,

cc Ray Thomas, president
