Re: Water Commissioner Position

TO THE **LOWER JORDAN RIVER** DISTRIBUTION SYSTEM COMMITTEE

Just after the first of this year we met with the distribution system committee to discuss the condition of Lynn Jensen's health and whether he could continue as in the position of water commissioner.

The committee decided it wanted to keep Lynn as commissioner during 2008 and would meet at the first of 2009 to discuss the selection of a deputy who would work with Lynn during 2009 in preparation to be appointed as the commissioner in 2010.

To facilitate this discussion, we have scheduled a meeting at the following time, date, and place:

10:00am
Wednesday, January 7, 2009
Department of Natural Resources Bldg.
Conference Room 214
1594 West North Temple
Salt Lake City, UT

This is an important issue for the distribution system so we hope your schedule can accommodate this meeting. If you have any questions prior to the meeting, please contact me by phone at 801-538-7380 or by e-mail at LeeSim@utah.gov.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer
for Field Services

cc: John Mann, Regional Engineer
