re: Lower Jordan River Distribution System Meeting for 2010

Dear Lynn:

Enclosed is a copy of our proposed schedule for the 2010 annual distribution meetings.

We would like to hold the meeting for your distribution system on Tuesday January 19, 2010 at 2:00pm. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

As you will recall, last year at the annual meeting your term as water commissioner was extended for one year and Lane was appointed as your deputy with the understanding that Lane would be appointed in 2010 as the water commissioner.

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801)538-7380 or by e-mail at LeeSim@utah.gov. Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
