TO THE LOGAN RIVER DISTRIBUTION SYSTEM COMMITTEE:

As a result of the unfortunate and untimely passing of Terry Gnehm, there is a need for the Logan River Distribution Committee to meet to make a recommendation to the State Engineer regarding Terry's replacement as Water Commissioner.

In discussing the matter with Don Hansen, System Chairman, it has been decided to call a special meeting of the committee to be held at the following time and place:

Wednesday, June 15th
10:00am
Logan Regional Office Conference Room
Utah Division of Water Rights
1780 North Research Park Way, Suite 104
Logan, Utah

The members of the committee will be the only ones involved in making this decision and recommendation to the State Engineer so your attendance and participation in the meeting will be very important. I realize that this is short notice, but I hope you will be able to arrange your schedules to attend.

If you have any questions prior to the meeting, please contact me by phone at (801) 538-7380 or by e-mail at LeeSim@utah.gov.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
