RE: Simmonds' Order

RECEIVED

WATER RIGHTS  
SALT LAKE

Please speak directly with Terry Gnehm and tell him not to shut down Simmonds' diversion until directed by a court order. I know the letter to the Judge states that, but I want to be sure there is no misunderstanding.

Also, Carlie Burton verified with me today that there are two users without contracts--Jerry Simmonds and Louise Hughes. Louise Hughes will be signing this week, according to Carlie.

Please call if you have any questions.
