STATE ENGINEER

December 2, 1968

TO ALL WATER USERS OF LOWER SAN PITCH RIVER SYSTEM:

On August 7, 1968, the State Engineer held the final in a series of meetings relative to the appointment of a water commissioner on the Lower San Pitch River. After much discussion, a budget was set up by the water users, and the State Engineer agreed to appoint a commissioner whose tour of duty would start January 1, 1969.

Enclosed is your pro rata assessment to cover the costs of the commissioner's expenses. It is hoped that each water user will make an effort to insure prompt remittance that we might begin operation as scheduled. We will notify each of you as to whom we appoint as your commissioner.

We trust this is satisfactory.

Yours very truly,

Hubert C. Lambert
