Re: Gunnison Irrigation Company Change of Point of Diversion  
Application No.: 63-4 (a16484)  
My Client: Gunnison-Fayette Irrigation Company

Dear Mr. Morgan:

It is hereby requested the San Pitch Water Commissioner deliver the Gunnison-Fayette Irrigation Company vested, appropriated and decreed water rights for 40 cfs commencing March 1.

The protest filed in the above case spells out with specificity Gunnison-Fayette Irrigation Company's rights.

I would appreciate being advised immediately if the San Pitch River Commissioner will deliver this water in order for my client to have beneficial use of the same.

Very truly yours,

Dale M. Dorius  
Attorney at Law
