Dear Mr. & Mrs. James:

Re: Milford/Escalante Dis. Sys.
Account 33-35

Sandra McCall of the Division of Water Rights, Cedar City Regional Office has informed us you purchased water rights 71-1608, 71-1672, 71-1889, 71-1890 and a portion of 71-1454 which are regulated under the Milford Area/Escalante Valley Distribution System. The account number associated with these rights is 33-35 and our records show the previous owner was Russel and Mary Mayer.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please either call the River Commissioner, Richard Jefferson at 387-2336, Gerald Stoker, the Regional Engineer at 586-4231 or myself at 538-7380.

Sincerely,

Lee H. Sim, P. E.
Assistant State Engineer
for Distribution
