Dear Mr. Mayer:

Re: Milford/Escalante River Dist.
Sys., Account(s) 33-49B

River Commissioner, Richard Jefferson has informed us you own a water right which is regulated under the Milford/Escalante River Distribution System. The account number associated with this right is 33-49B and our records show the previous owner was d'Elia Haruyo.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please either call the River Commissioner, Richard Jefferson at 387-2336, Gerald Stoker, the Area Engineer at 586-4231 or myself at 538-7380.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lee H. Sim'.
