Dear Mr. Marshall:

Re: Milford Area Distribution
System Account 33-18b

Thank you very much for your call to our office yesterday. John Larsen asked me to write and let you know how we intend to handle this account. Since your total interest in the water right being assessed under this account is only 25% we have split this account and assessed Circle Four Realty under a separate account.

The total past due amount you should pay on the above account is \$50.65. *pd 2/2/96*
Please submit as soon as possible to the State Engineer, and reference on your payment check Account 33-18b so your account can be properly credited. This will bring this account current for the 1995 assessment year.

If you should have any other concerns, please feel free to contact me at 538-7381.

Sincerely,

Bonnie Duncan, Secretary
for Distribution
