This office has been in the process of ensuring the proper measurement of water in the Milford Area. As part of this process we have been and are in the process of collecting unpaid assessments. We were recently advised by Wade Marshall that he had sold his interest to you and our records indicate you are the owners of water rights currently being assessed under the above account. Our records show the interest of each party as outlined below.

Circle Four Realty	71-1930 (100%)
