RE: Dismissal of Gregory F. Marshall
Beaver County Civil No. 92-075

According to John Larsen, Gregory F. Marshall is now in compliance with the well meter order. Attached is a NOTICE OF DISMISSAL which dismisses the case.

The four enforcement actions in Milford Valley are now all resolved and dismissed. John tells me that every well currently being used in Milford Valley is now metered. While these four lawsuits may have helped prompt compliance, I think the key to successful enforcement in Milford Valley was persistent follow through and personal contacts.
