

MINUTES OF THE MILFORD WATER USERS MEETING

FEBRUARY 16, 1978

COMMUNITY BUILDING, MILFORD, UTAH

Financial statement for 1977 was read by James Mayer. The description of budget and expenditures was also gone over and the delinquent accounts were read to the group as per reports.

Lee Strong gave his report on the Beaver River. It was 36% of average for the year. Below normal for the last 23 months.

Pumpage for area. Water Right 54953. Water used 49287. Excess used 4561. Unused balance was 10225.

The minutes for July 13, 1977 and February 24, 1977 were read.

Robert Christiansen made motion to accept minutes and it was seconded by Stan Roberts.

Leon Paice made motion to accept budget and it was seconded by Russell Morgan.

Motion was made by Russell Mayer to retain Lee Strong as Water Commissioner and seconded by Wayne Wiseman for the \$1,740.00 amount. Approved by those present.

Operations budget was set for 1978. Total Assessment is \$4,542.09. Leon Pace made motion to accept and Wayne Wiseman seconded. Passed by those present.

Crop survey was asked for all in this area. Farmers need to check with office when possible.

Crop survey has been made for the area. Gerald Stoker reported that Dee Hansen cannot change the water laws. They would be held to the 4 acre ft. There should be a committee set up with some in this area to be picked to work on this committee.

Over pumpers will be notified and court order will be given to over pumpage if needed.

James Mayer was retained as chairman.
