Subject: Milford Distribution Accounts

Bonnie:

Please make changes on the following accounts to reflect new ownership of water rights:

1. Account 18B is currently in the name of Elmer Tim & Marshall and Circle Four Realty. Christen has sold his 50% interest in water rights to Circle Four Realty. Please leave Elmer Tim Marshall on Account 18B with water rights 71-214, 222, 1247, 1625, 1818, 1819. His portion of the current assessment is for \$50.65 which reflect 25% of the original \$202.61 assessment to Wade Marshall. The use of this water is in the E ½ of Sec. 27, T29S R11W, SLBM.

2. A new account to reflect Circle Four Realty as the owner needs to be created. Perhaps we could create 18C because it will reflect the segregated portion of the original irrigated tract of land. Water rights involved are 71-1930, 4272, 4273, 4274. The portion of the original assessment owed by Circle Four is \$151.96 which reflects the other 75% of the original \$202.61 assessment to Wade Marshall. The use of this water is for irrigation and pig farm use in the W ½ Sec. 27, T29S R11W, SLBM.

3. Please prepare letters and to both Tim Marshall and Circle Four Realty to give them notice that the assessments are due immediately.

Thanks,
