Dear Gary:

This letter is to remind you of our committee meeting which is set for December 7 at 1:00 P.M., at Jim Mayer's home. I hope you will be able to make it. We feel this will be an important discussion for the future of the Milford system.

We last met with the Milford Distribution committee on August 17, 1995. At that time we discussed the challenges that we're having with our current procedures for metering water in the Milford Valley. We suggested two alternatives to that and said we would get more information on both of them to present at our December 7, meeting.

Sincerely,

A handwritten signature in cursive script that reads "Lee H. Sim".
