Dear Mr. Gray:

Re: Milford Dist. System 33-23 <sup>OK</sup> ~~23~~  
 Well #21

In 1994 water users without measuring devices were given the option of having their water measured by pitot tube. Each water user who signed up for this service last year is considered to be signed up for the service this year. The payment deadline for the pitot tube service for 1994 and 1995 was originally set for May 1, 1995. However, those who signed up this year for the pitot tube service and have not yet received a letter, should send payment as soon as possible.

The following is a list of the regular and special assessment for the pitot tube service:

1994 Regular & Delinquent Assessment	Pitot Tube Service for 1994	Pitot Tube Service for 1995	Regular Assessment 1995	Balance Due 1995
\$ -0-	\$ -0-	\$75.00	\$10.74PAID	\$75.00

If you desire measurement by pitot tube, all fees for the pitot tube service and all regular assessments and delinquencies must be paid. We will appreciate receiving your payment for the Pitot tube service by return mail.

If you have any questions, please call John Larsen at 538-7431.

Sincerely,

John S. Larsen  
 Water Rights Specialist III  
 for Distribution
